GOVERNANCE | VALUE CREATION

WHAT WE DO FOR YOUR STARTUP

End-to-end financial, regulatory & compliance support tailored for founders

Accounting & MIS

Books, GST, TDS, payroll & monthly P&L dashboards — audit-ready from day one.

Audit & Assurance

Statutory, internal & investor-mandated audits handled efficiently and on time.

Fundraising Support

Financial models, due diligence data rooms, cap table management & ESOP advisory.

FEMA Compliance

FDI reporting, ODI, ECB, RBI filings & cross-border transaction structuring.

Utilisation Certificates

UC preparation for grant funds, govt schemes & investor milestone compliance.

Govt Funding & Schemes

DPIIT, Startup India, SIDBI, state grants & MSME scheme applications.

WHY FOUNDERS CHOOSE US

01

Startup-native team — we speak your language, not just accounting.

02

Single point of contact for all compliance needs, always.

03

VC & investor-ready reporting from Series A through exit.

04

Proactive alerts on deadlines — zero penalties, ever.
